

## Books

We will be reading and joining in with:

Chapel Street  
Community Primary School

# Nursery Autumn 2

## Ourselfes & Celebrations

We will be using photos from home to talk about ourselves — what we like to do, what we celebrate, who we live with.

We will be exploring Diwali, Bonfire night and Christmas celebrations.

We will be exploring lines and colours as we paint and draw fireworks.

## Phonics

We are beginning to think about the different sounds we can hear in words. This will help us to develop the blending skills we need for reading. We will focus on a different sound each week. We will practise saying the sound and noticing it at the beginning of words.

## Maths

 We will be reciting some number names in order.

1 2 3 4 5

We will be counting out objects from a larger set and learning that the amount stays the same if we don't add or take away.

We will be sorting objects based on one criterion such as colour or shape.

## Songs

We will be singing lots of songs and nursery rhymes. Ask your child to sing them to you.

- Hey Diddle Diddle
- Hickory Dickory Dock
- Wind the Bobbin up
- It's raining, it's pouring

## Ways to help

Let your child practise putting on and taking off their coat themselves.

## TOP TIP

If your child isn't telling you about their day, try telling your child about your day, this will teach them how to share their news.

## Please remember to

- Put your child's name on their jumpers and coats
- Bring a coat every day.
- Bring spare clothes in a named bag **to leave at school.**
- Connect with Class Dojo.
