### Fact of the week

Mrs Hughes' Fact of the Week this week is carried on from last week:

**Where was Pablo Picasso born?**

**What are the names of some of his famous paintings?**

Well done to Zahra in 6b, who knew that the factors of 24 are 1, 2, 3, 4, 6, 8, 12 and 24! Lots of the children were able to tell me that factors in mathematics are two numbers which you can multiply together to get another number (called the product).

### Mrs Pilling's word of the week

Mrs Pilling's 'word of the week' this week is: **ravenous**

*What do you think it means? How would you use it in a sentence?*

Well done to everyone who knew what last week's word meant.

### Headteacher's welcome

Eid Mubarak to all our families who were celebrating this weekend. The children and staff are all looking forward to their Eid Parties this afternoon and sharing their new books together. We think everyone looks fantastic in their special clothes.

## 'Brew and chat'

It was lovely to hear from Year 1 last week about what they think makes Chapel Street a great school. They told us they find learning fun and love their hook days. They think their teachers help them well with their learning and some of their work is challenging. They were rightly proud of their books and we loved looking through them. We're looking forward to listening to Reception's feedback this week.
