Welcome back

Dear Parents, Carers and Families,

Welcome back for the new school year. I hope you enjoyed your time together over the summer holidays. It has been great to see how well all children have settled back into school today – they look so smart in their active uniforms.

How can I help my child's learning this year?

At Chapel Street we are proud to work in partnership with parents, carers and our wider community. We will share more information soon about the events and workshops we would love parents and carers to attend and take part in across the year.

We are also asking all children and parents / carers to commit to the three goals below. Consistently doing these across the year will help your child to make better progress and achieve well with their learning. You can find out more on the attached letter and on our website here:

<https://www.chapelstreetprimary.co.uk/our-school/school-improvement/>

To make Chapel Street great this year...			
Our school will work together to...	Improve attendance for the whole school to at least 94%.	Improve writing across the curriculum.	Improve outcomes through high quality, timely feedback .
To help us achieve this...			
All pupils will...	Get ready to come to school in the mornings.	Try their best with their writing in all lessons.	Tell their teacher when they have an idea.
All parents and carers will...	Book holidays, trips and appointments outside of term time.	Read with your child(ren) every day for at least 15 minutes.	Respond to parent/carer surveys.

If you have any questions or would like to talk about your child's learning, please see their class teacher or send a message on Class Dojo.

I look forward to seeing you on the gates soon,

Mrs E. Hughes
Headteacher
