

Road Safety Awareness Week

Monday 20th – Friday 24th November 2023

Dear parents/carers,

Last week was Road Safety Awareness Week; Brake's biggest annual road safety campaign.

Our children have been discussing road safety and the importance of wearing their seatbelt, with their class Teachers.

Brake has some very useful information and guidance to help you further understand the importance of safety on our roads. Please take a moment to visit their website:

<https://www.brake.org.uk/road-safety-week>

**If you don't have access to the internet, please contact the school office who will be happy to provide printed copies of any pieces of Road Safety information you need.*

There are also some informative videos on YouTube about the effects and consequences of not wearing your seatbelt when driving or travelling as a passenger in a car. Please take a moment to watch these and discuss the importance with your children.

Crash Test Dummies (10 mins) - [Safety Belts for Dummies or People - YouTube](#)

Seatbelt Safety Animation (2.5 mins) - [Seat Belts Save Lives: Full-Length Safety Animation - YouTube](#)

Unbelted passengers (3 mins) Year 5 & 6 only - [UNBELTED Passenger in Frontal Car Crash - YouTube](#)

Chapel Street's Road Safety Message to all parents/carers

In line with the discussions last week, we would like to remind our parents of the following Road Safety and regulations in regards to parking outside of school:

No parking on the yellow zig zag lines. This is against the law.

No engines left running when the car is stopped outside school.

EVERYONE in the car should ALWAYS wear their seatbelt.
