Welcome from the

## Headteacher

Thank you to all the parents and carers who came to see Year 5's special assembly on Friday about the environment. They were confident and enthusiastic in sharing why we need to look after our planet and how we can do it. We are proud of them all. They also told us about the great opportunities to join in with fun activities at Bluebell Green in Chapel Street Park. Next week we are looking forward to families joining us in school to see children's learning from this half term.
