Chapel Street
Community Primary School

I hope everyone has been able to enjoy the sunshine this week whilst also keeping cool.

Thank you to all the parents who came to our Year 6 Parents Meeting about the upcoming KS2 SATs. We know this can be something that some children and families worry about and so we appreciate the opportunity to reassure you and answer any questions you may have. As always, if you have any questions about your child's learning or progress please speak with their class teacher who will be happy to help. You can also find Senior Leaders on the gates at the start and end of every day.

There are some exciting trips coming up this term to Chester Zoo, Manchester Imperial War Museum and a farm visiting our EYFS here at school. We can't wait to see how much the children enjoy these experiences and learn from being able to explore different places and opportunities.

A reminder that this Monday is a Bank Holiday and so school will be closed to all children and staff. We will be open as usual from Tuesday 6th May.

Farm Visiting

We are thrilled to announce that on Thursday 8th May, there will be a Farm visiting. This is a fantastic opportunity for our students in early years to learn more about life on the land, connect with nature, and experience first-hand where our food comes from. This will be educational and enjoyable!

Happy Bank Holiday

Just a reminder that Monday the 5th is a bank holiday. That means no school on that day – Why not make the most out of this long weekend and get yourself involved in some fun activities at home with your friends and family!

Fact of the week:

Mrs Hughes 'fact of the week,' this week is:
