Chapel Street
Community Primary School

We are delighted to confirm that, in addition to our current wraparound care with Breakfast Club from 7:45am every day, from September we will also have full wraparound care to 6:00pm every evening. If this is something you would be interested in for your child(ren), please let the office know. We also have some places available for Nursery and Reception in September and would love for you to let friends, family and colleagues know who may be looking for school places.

Well done to all our Year 6 pupils who have taken their KS2 SATs tests this week. We are incredibly proud of how hard you always work and that you have tried your best this week. Everyone is looking forward to a celebratory picnic on Friday and hopefully it will be a sunny one.

All year groups are looking forward to their Design & Technology project days next week. Year 1 will be making moving story books, Year 2 are creating delicious and healthy fruit salads and fruit kebabs, Year 4 will design torches, Year 5 will prepare a nutritious and tasty spaghetti bolognaise recipe and Year 6 are taking on the challenge of sewing waistcoats. I can't wait to see their creations and hear about the design process to make them.

There is a special assembly for Year 1 next week, where the children will share their learning around active travel and safe walking to school. Teachers will also be able to provide information for parents and carers about the upcoming Phonics Screening Check which starts after the half term holiday.
