**Welcome from the
Head Teacher**

Chapel Street

It's been such an exciting first week back after the May half term holiday. I've loved seeing all the children so engaged in their learning and sharing fantastic questions about their new topics. Our Hook days on Monday included Year 2 making some very creative necklaces and lots of mini beast exploration in Nursery and Reception. We were delighted to find out how successful our children have been with the recent 'Mother Tongue Other Tongue' competition and can't wait to share more about this with you soon!

Year 6 represented Chapel Street brilliantly on Tuesday when they visited Manchester War Memorial Museum in Salford. This was a particularly special trip because it only went ahead following the children's incredibly persuasive letters earlier this year to ask me to add it to our curriculum and their excellent fundraising efforts to pay for it. Well done Year 6!

Our Year 3 children are looking forward to an upcoming trip where they will use local transport and buses to visit Manchester and EYFS will be visiting Bluebell Green soon. There are also trips to Chester Zoo for Year 2 and Year 6 before the end of this term. Thank you to all parents and carers who are making voluntary contributions towards the cost of these important and magical experiences for the children.

We will be open as usual on Friday this week but appreciate many of our families will be taking Religious Observance to celebrate Eid al-Adha. We hope everyone who is marking this special occasion has a wonderful time with their loved ones and can't wait to enjoy our own Eid parties together on Monday afternoon.

We hope you'll join us for our next Drop-in on Monday morning. This is a chance for you to visit your child's classroom and find out more about what they will learn this half term. You should also receive a curriculum newsletter for your child by the end of next week. This will tell you important information about subjects your child is learning and how you can support their progress at home.

As always, if you would like to know more about our curriculum, please speak with your child's class teacher or see the information on our website: [Curriculum - Chapel Street - Community Primary School](#) and also your child's class page: [Classes - Chapel Street - Community Primary School](#)

You can also use Class Dojo to share questions with their teacher. If you don't know your log in (or receive the curriculum overview via email) please let the office know who will be happy to check your contact details and support.

World Ocean Day

World Ocean Day is on the **8th of June**. World Ocean Day is a time to celebrate our amazing oceans and learn how to protect them. Oceans give us air to breathe, food to eat, and are home to sea animals like dolphins, turtles and fish.

We can help by using less plastic, recycling, and keeping beaches clean. Every little action helps keep our oceans healthy!

Fact of the week:

Mrs Hughes 'fact of the week,' this week is:
What might I use a 'pulley' for?
Challenge: Draw and label a diagram of mechanism with a pulley in it.

Word of the week:

Mrs Pilling's 'word of the week' this week

is: **Lollygag**

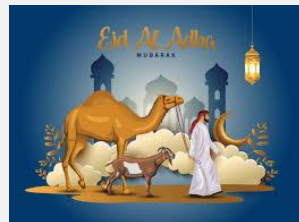

What do you think it means?

How would you use it in a sentence?

Eid Ul-Adha

We would like to wish all our families celebrating a joyful Eid Ul- Adha on the 6th of June! This special festival, also known as the Festival of Sacrifice, is a time for giving, sharing, and caring for others. It marks the story of Prophet Ibrahim's faith and is celebrated with prayer, community, and acts of kindness.

Eid Mubarak to all our pupils, parents, and staff celebrating!

Nursery and Reception

We would like to invite you to bring your child aged 3 and 4 years old to a free taster session of life in our Nursery and Reception classes on **Friday 27th June 10am -11.45am**. This will be a chance to make new friends, meet our teachers and staff, explore our classrooms and playground and try delicious food from our kitchen. There will also be tours of the school.

World Environment Day

World Environment Day is a special day to remind us to take care of our planet. It's held every year on **June 5th**. We can help the earth by planting trees, saving water, recycling and not littering. Even small actions can make a difference!
Let's all work together to keep our world clean and green!

We have places available in our

Nursery & Reception

for September 2025

- Nursery – 15hrs or 30hrs available for September
