## Welcome from the Head Teacher

Eid Mubarak to all families who were celebrating last weekend. It was wonderful to see all children across school learning more about this special occasion and enjoying their Eid parties on Monday afternoon – they looked amazing in their party clothes.

Thank you to everyone who came to our Parent Drop-in on Monday morning. It was lovely to see so many grown-ups celebrating their children's learning and finding out about topics this half term. There was a great buzz in the main hall where families were impressed with the children's 'Mother Tongue Other Tongue' exhibition of poetry in different languages. What talented children we have at Chapel Street!

Year 3 are looking forward to their trip to Manchester Museum soon and Year 2 and Year 6 will be visiting Chester Zoo before the end of this term. I was incredibly impressed with the letters Year 2 have written to Chester Zoo about their favourite animals – Miss Henry's class treated me to some special readings of them and I learnt so many interesting facts. Did you know that a capybara can weigh between 35kg and 66kg and grow to be up to 134cm in length? Wow!

You should have received a letter last week about our transition support for the end of this academic year and starting the new year in September. This included information about who your child's class teacher will be from September. All teachers, including those new to school, will be spending time with classes every Monday afternoon this half term to support with building positive relationships and easing any worries your child may have. We provide extra opportunities and support for children who may have additional needs or be experiencing particular anxiety about transitions. If you feel this would help your child or would like to find out more, please ask their class teacher or speak with any of our senior leaders – we're on the gates at the start and end of the day. You can also contact the office to arrange a meeting with our Inclusion Assistant Headteacher (SENCO).

## Class Photos

It was class photo day on Wednesday, the children all looked super smart and had their biggest smiles ready for the photographers!

They will be bringing home a photo card from John Hunt Photography, which will have a QR code and website address on. Please visit the website or scan the QR code and enter your personal code which is written on the card, this will be linked to your child's photo and allows you to view it online.

You will then have several options to choose from, if you would like to purchase their photo. Purchases will be delivered FREE to school in bulk and distributed to classes, once we have received them.

### Fact of the week:

Mrs Hughes 'fact of the week,' this week is:

What is the equator?

Challenge: Name some of the countries that can be found on the equator?

### Word of the week:

Mrs Pilling's 'word of the week' this week

is: **Lethargic**

*What do you think it means?*

*How would you use it in a sentence?*

## Parent Drop-in

Thank you to all the parents who attended our parent drop in on Monday 9<sup>th</sup> June, it was lovely to see so many parents in school looking at all the children's hard work and also what they will be learning this coming term.

Year 6 even had a 'Mother Tongue Other Tongue' poetry exhibition gallery set up for their parents!
