Chapel Street
Community Primary School

It's been another exciting week at Chapel Street with some wonderful experiences and enrichment for our children and families in addition to our usual engaging curriculum offer. We were impressed to have a GB Athlete visit on Thursday and it was inspiring for children to hear their story and learn more about the benefits of sport for all. Thank you to British Gas who sponsored this rewarding opportunity.

Well done to the group of Year 5 pupils who took part in a Math's Competition at Stockport Grammar School this week. They were excellent ambassadors for Chapel Street and we were so proud of their effort, resilience and mathematical knowledge.

Thank you to all parents and carers who came to our Community Roadshow this week. It was a huge success and we're really grateful to all the fantastic local services, groups and organisations that came to share their offer and support with families. Levenshulme is a rich, diverse and strong community that has a huge amount on offer for all children and families to benefit from. Do let us know if there is anything you would find helpful to learn more about or have help to access.

The highlights of my week have been seeing some impressive writing from Year 5 about the Mayan Civilisation, hearing the new knowledge about Ancient Egyptians that our Year 3 have learnt already, listening to our Nursery and Reception pupils practicing their phonics and reading letters that some Year 6 pupils have written to me.

A reminder that school is closed to all children on Friday this week (27th June). Teachers will be using the day to plan all the exciting trips, visitors and enrichment for next year so look out for more information about this before the end of term. We look forward to seeing all children back in school, at the usual time, on Monday.
