

School Newsletter

Chapel Street
Community Primary School

Welcome from the Head Teacher

We were very lucky to have the amazing team from Rock Steady in school this morning. They led some incredible assemblies for the children filled with singing, music and different instruments. Look out for more information coming home to sign your child up for their 'Rock Bands' which will be running from September.

It was also exciting to have Arcadia Library visit us this week to share with the children about their Summer Reading Challenges. This is a great opportunity for the children to keep reading and enjoying new books over the holidays. Everyone will bring information home about this and you can visit Arcadia to find out more and borrow amazing books to read at home.

Well done to all our children who visited Manchester University on Thursday to celebrate their winning entries to the 'Mother Tongue Other Tongue' exhibition. It was wonderful to see our children representing Chapel Street so well and taking pride in sharing their poetry and different cultures outside of school.

A reminder that on Monday next week all children will be spending the afternoon in their classroom for September and getting to know their teacher more. You will collect your child from their September classroom on that day only. This will give you chance to meet their new teacher and ask any questions you may have too.

Dates for your diary for Summer

Summer Term 2: 2nd June – 22nd July 2025

FREE School Holiday Activities

School holidays are coming!

Did you know there are thousands of FREE places for children's activities over the school holidays?

PLUS each booked session will include a FREE meal.

It's as easy as 1, 2, 3 to get involved:

1. Register for FREE benefits-related school meals
2. Create a family 'MCRactive Go' account
3. Find and book your sessions on the Activity Finder.

To find out whether your child is eligible to take part, or to book activities, visit: [mcractive website](https://www.mcractive.co.uk)

Fact of the week:

Mrs Hughes 'fact of the week,' this week is:

What animals are found at the South Pole?

Challenge: How are these animals adapted to survive in such harsh conditions?

Word of the week:

Mrs Pilling's 'word of the week' this week

is: **Loathe**

What do you think it means?

How would you use it in a sentence?

New Class Taster

Teachers did a taster lesson with their new class, in their new classroom on Monday.

It was fantastic to see all the students getting to know their new teacher for the next academic year (25/26) and engaging with them so well!

There will be more opportunities throughout this term for the teachers and their new classes to spend more time together in preparation for September.

Making a difference and achieving excellence for every child

Y6 Transition Days

It's Transition Week for Year 6!

This means all our Year 6's would have visited their new secondary schools for transition days. It was a fantastic opportunity, which provided them the chance to get familiar with their new surroundings and form friendships in preparation for September.

We wish you all the best of luck!
