Community Primary School

Welcome from the Head Teacher

It's hard to know where to start with so many wonderful things to share from the past week. It has been a real pleasure to see children showcasing their fantastic talents, confidence and qualities during performances and experiences for the end of term. Year 6 were magnificent on Tuesday for their special assembly – I was so impressed with their enthusiasm, singing, dancing, acting and loved seeing every child take part and shine. Similarly, Nursery were a joy to watch with their parents for their special assemblies on Monday.

Nursery and Reception were treated to a very special Minibeast Roadshow on Thursday and were very brave learning about and interacting with the different and interesting creatures in school. Year 4 and Year 6 have loved Pool Parties at Arcadia and Year 6 celebrated the end of year with a special disco after school on Thursday. They are an incredibly kind, caring and respectful group of children who should be very proud of their efforts and progress this year. We're going to miss them next year but know they will thrive in their High Schools, who are lucky to have them.

Children will be bringing their exercise books home this week for you to celebrate their learning from the year and we hope you also enjoyed reading about their progress and achievements in their reports.

We are in school as usual on Monday and Tuesday next week and hope everyone has a safe, enjoyable and relaxing summer holiday. We look forward to seeing everyone when we return on Wednesday 3rd September.

Community Safety Strategy survey 2025

Manchester City Council is committed to ensuring all children and young people have access to play opportunities across the city. As we continue on our journey to become a UNICEF UK 'Child Friendly City', play remains a priority for us. We want to hear from children, young people and their parents/carers about play. This will help Manchester City Council identify areas of need and development of play across the city, so that we can ensure all children and young people can have opportunities to play. **Deadline for Completion September 30th 2025**

Article 31 of the United Nations Convention on the Rights of The Child states "Every child has the right to relax, play and take part in a wide range of cultural and artistic activities"

The students in year 4, 5 and 6 all had a wonderful time on their trip to MMU for the Mother Tongue Other Tongue trip. They took part in a poetry workshop and read their own poems in front of 200 other pupils in a lecture hall, a massive well done to everyone!
