

Spring Term – Thursday 25th January

Chapel Street
Community Primary School

School Newsletter

Welcome from the

Headteacher

There has been a Health and Safety audit at school this week with an external company. We are pleased this found many strengths in this area across school and helped us find ways to improve health and safety even further. At Chapel Street we work closely with the Local Authority, schools in our area and other external professionals to make sure we are checking the quality of work we do and providing the best opportunities and provision we can for all our children. If you ever have ideas you would like to share with us, please speak to a member of the senior leadership team on the gates at the start and end of the day.

Pupils News...

Siblings from year 2 and Nursery went to the Children's Hospital in Manchester.

They met "Nemo" the goldfish, sat and read books on the book bench, met a giant white rabbit and played with a football table!

They learnt about how Doctors and Nurses can help us by testing our blood and urine!
