Welcome from the Headteacher

We were pleased to welcome our School Improvement Partner from the Local Authority to school on Tuesday this week for a Quality Assurance visit. Two of our governors were also able to join us. During the morning we visited all classrooms to talk with pupils, look at their work books and see what they have been learning. It was fantastic to see everyone across school so engaged in their learning and enthusiastic to share with us what they can remember, from this year and even previous years at school. There was some great recall of facts and explaining tricky vocabulary to us – I learnt lots of new and interesting things. We are very proud of all our pupils and the effort they put into not only their learning but also their kindness and respect for each other and the wider school. Well done everyone.
