School Newsletter

Welcome from the Headteacher

Thank you to everyone who came to see our special assembly with Reception pupils last week – it was great to see so many parents and carers here to watch the children's hard work and confidence. We are very proud of them all and hope you enjoyed it as much as we did.

A reminder that school finishes for the holidays at the usual time on Thursday this week. We are looking forward to seeing all children back at school on time on Monday 15th April. Remember that missing just one day of school can have a real impact on your child's progress as they miss essential learning that is built upon across the rest of the term.

Happy Easter to all our families who will be celebrating this weekend and Eid Mubarak to our families who will be celebrating at the end of Ramadan in the holiday.

Attendance Matters
...every school day counts!

Attendance is one of our highest priorities at Chapel Street. Unfortunately, we are currently at 92.5%, which is well below the national average of 96%.

Children who have poor attendance find it much harder to learn to read. This greatly affects their academic performance and results. Did you know that 73 per cent of high school pupils who have over 95 % attendance achieve five or more GCSEs at grades A* to C?

You may not realise it but if your child has 90% attendance, it means that they have missed 9 days of school – that's 50 lessons!

We need your help to improve our attendance and bring your child to school each day!

Making a difference and achieving excellence for every child

EYFS News... Reception Assembly

We had a great Reception Assembly on Thursday - story telling. All the children joined in with the story and used their story actions. It was fantastic to see their joy and enthusiasm for the story - the gingerbread man. All parents were smiley and visibly proud of the children, as were the staff.

After we did a reading for pleasure workshop, our first of the year, staff in each class read "The Odd Egg", to the children and parents - sharing the importance of reading in your home language and talking about the book. After the story, parents stayed to do some book activities with their child.
