Our other on-line documents are an application form, letter from the Headteacher about our school and job description with person specification. About the Post

As a class teacher at Chapel Street Community Primary school you will work as a team of three teachers in your year group. In addition to your year group team, you will work collaboratively within a Phase team that is led by one of our Assistant Headteachers. You will be further supported by the wider middle and senior leadership teams as well as colleagues across school.

We have a number of excellent support staff including teaching assistants for all year groups. Within EYFS and KS1 there is a full time, class-based teaching assistant per class. Across KS2 there are a number of class-based teaching assistants who support across classes, year groups and phases. Our class-based teaching assistants are in addition to an experienced team of specialist intervention TAs (SEND, SEMH, Speech and language, INA/EAL and Forest School) and a team of fantastic cover TAs. We are also fortunate to have a skilled team of wider support staff who lead provision around attendance, admissions, safeguarding and health and safety.

The specific responsibilities for our class teachers are outlined in the attached job description and are in line with the requirements of national Teaching Standards and the STPCD.

About the successful candidate

As with all posts we are primarily looking for the right person for our pupils, school and community. Someone with resilience, who will work hard, in a relational way, to raise standards and improve outcomes for all our pupils and can be flexible and adapt to changing need. Only candidates who can demonstrate passion and enthusiasm for teaching and learning, will be considered for this post. Whilst it is essential that you are a strong and responsive teacher it is also important that you can seek and act on feedback and are proactive in developing yourself as a teacher. A very clear commitment to equality, diversity and inclusion is essential – as is a commitment to our relational approach and nurturing positive, quality relationships with all.

Excellent team-working and organisational skills are also essential, as is the ability to work independently and a strong commitment to wanting the very best for each child. You will need a strong understanding of the unique strengths and challenges facing **our** community and pupils – and we will look for this within your application. We want our teachers to be passionate about working in **our** school with **our** unique children and staff.
